

UNFORGETTABLE

Robbie Scott and the New Deal Orchestra

ONE UNFORGETTABLE ORCHESTRA FOR ONE MAGICAL WEDDING

Yours

One special love. One magical wedding ceremony. One unforgettable orchestra to exemplify your sense of style. Not a band. Not a DJ. But a surprisingly affordable full orchestra, with dynamic vocalists, who can fill your reception with the richness of music from any genre – from party dance and disco to Motown and classic rock.

Led by Robbie Scott, a consummate musician who has played the Rainbow Room and with the likes of Bobby Short, the New Deal Orchestra is comprised of seasoned musicians who have performed before esteemed crowds – from U.S. Presidents to Princeton University, The United Way to the University Club, Lincoln Center to Madison Square Garden.

Let Robbie Scott make your wedding unforgettable. Call him at 800-627-9464 to discuss your wedding and to receive a complimentary DVD. View song list, video stream, reviews, and more at www.newdealorchestra.com.
